

SCHOLARSHIPS FOR FAMILY MEMBERS OF EACOM STAFF AND HOURLY EMPLOYEES

Fostering a culture that values education and learning is more than just a commitment at EACOM: we made it part of our most fundamental values. We believe it is important to encourage youth to pursue their dreams and to set goals for the career they see themselves evolving in.

This program provides a one-time per child financial support (\$1,000) to EACOM staff members' and hourly employees' children pursuing a post-secondary education. Scholarships will be provided to individuals that exemplify the qualities of strong academic standing and commitment to their field of study.

The scholarship is considered a taxable benefit for the EACOM employee's child receiving the award. A T4A federal slip will be issued at the end of the year.
